Docket No. 98N-1265
Food and Drug Administration JUL 26 MD:46
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: It took me almost 2 years to locate
and establish with Madison Pharmacy and my
new doctor the correct compound medication
that has made a huge difference in the
quality of my life and health. Please don't
limit or compromise the quality of my life
by restricting my ability to obtain medication
that my doctor prescribes and has made it
possible for me to live normally every month.
